

- **Schedule**, subject to change, is currently:
 - **Raven** patients will get their letters from 1 December; scanner at Herringthorpe Stadium and Tesco Central from beginning January to mid-February 2024
 - **Rother Valley South** patients will start to receive letters in mid-January 2024; scans (location tbc) mid-February-mid-March 2024
 - **Penistone** patients' letters will be sent in February 2024; scans (location TBC) April 2024
- Eligibility criteria: **55-74 years old, ever-smokers, registered with GP**
- An appointment will be sent in the letter for a quick call to confirm eligibility and book Lung Health Check (LHC)
- The LHC is in two parts: (i) a 30-minute telephone call by a Respiratory Nurse to determine risk (ii) **higher-risk patients will be** referred for a chest scan
- General appointment / results queries should be signposted to Acacium on **0330 236 8484**. Patients should leave a voicemail for their call to be returned if lines are too busy
- The Targeted Lung Health Check team's email address is syicb-doncaster.sybtlhc@nhs.net
