

Appointments

We offer face-to face and telephone/video appointments.

We offer GP appointments both on the day and within 2 weeks.

Follow up/continuity of care appointments can be arranged at GP discretion up to 2 months in advance (rotas allowing)

Home visits can be arranged for housebound patients by calling in the mornings.

What other appointments/staff do we have?

- Phlebotomist - blood tests
- HCA - ear syringe, stitch removal, bloods, BP, B12, INR, Tele-dermatology, basic wound care, hypertension clinic.
- Nurses - Chronic Disease clinics, Cervical smears, Baby injections, Travel clinic, contraception checks, immunisations.
- Our practice also provides Joint injections and cryotherapy.
- Attached staff - Paramedic, ANP, Social prescriber, Mental Health Practitioner, Physician associates *for more information see RVS website.*
- NHS Health checks

Where are we?

You can find us on Worksop Road Swallownest towards the junction with the A618. There is parking available adjacent to the Health Centre (including disability parking) and full legally compliant disability access, including a lift to the first floor where you will find us.

The Health Centre is located within a Rotherham Council building and access including parking is subject to their rules and regulations.

SWALLOWNEST HEALTH CENTRE

Practice Manager Kate Slater &
Assistant Practice Manager Tyler
Bailey

*An informative guide to our
practice updated 2026*

Welcome

This is the Practice Guide for Swallownest Health Centre which primarily serves: Aston, Aughton, Ulley, Fence, Swallownest and part of Todwick. That is our 'practice area' *see our website for boundary map*

The practice itself has a long history and, although the current Health Centre only opened in June 2010, it can trace its roots back more than 40 years. We are delighted to be able to continue serving our local community.

The practice is a partnership, whereby Partners are not just doctors but business owners responsible for the financial and operational management of the practice. We have 5 partners:

- Dr Ann Monaghan (*senior partner*)
- Dr Andy Davies
- Dr Nava Couldwell
- Dr Kevin Tarbutt
- Dr Rob Baker

Our practice also has an additional 8 salaried GP's.

Our practice list size is 16,152*

That's 13 GP's equating to an average of 1,243* patients per GP (pro rata) which is well below the national average of between 2,200-2,300. *All of our patients have a usual GP assigned at registration however you can see any GP.*

We also have 2 PCN GP's on staff providing additional appointments in house.

**Figures from February 2026*

Our practice is a part of Rother Valley South PCN (Primary care network) alongside Dinnington, Kiveton and Village surgeries. Being part of a PCN allows for additional appointments across our 4 practices outside of traditional practice hours including evenings, weekends and bank holidays. Our care navigators are trained to offer these where appropriate. <https://www.rothervalleysouthpcn.co.uk/>

We are located within the South Yorkshire Integrated Care Board area and the ICB is responsible for ensuring you get all the local health services you need. You can find its website at <https://southyorkshire.icb.nhs.uk/>

Connect Health Care (the Federation) is contracted by the ICB to offer extended access to patients across Rotherham on evenings, weekends and some bank holidays. They operate out of Broom Lane, Blyth Road, Greasbrough, Magna Group and Morthern Road Surgeries. They also offer physiotherapy, minor eye conditions, stop smoking and weight management services.

Our care navigators are trained to offer these where appropriate or see their website for more information <https://connecthealthcarerotherham.co.uk/>

Swallownest Health Centre is Regulated by the Care Quality Commission under reference CRT1-549054564. Our current rating is Needs improvement.

Opening Hours

The surgery is open Monday to Friday between 08:00 - 18:30. We operate an appointment only service. We have an emergency on call doctor and triage system for urgent on-the-day issues.

Please call us, contact us online (via NHS App or our website) or speak to us at the front desk to arrange your appointment.

Our online form is available to use throughout core hours.
